Cairnsfoot Show Day

What a fantastic day it was! The visiting animal farm was a definite crowd pleaser. Students were able to hold, feed and brush the ducks, chickens, goats, rabbits and guinea pigs. Everyone was so gentle with the little animals and as you can see from the photos the students thoroughly enjoyed the experience.
The Hat Parade was also a hit with classes showing off their artistic skills in a creative collection of hats. From furry bunny’s ears to Samurai helmets and Elvis inspired rabbits, it could all be seen on the Circle at Cairnsfoot!
And we can't forget the Egg hunt, sausage sizzle and ice cream's. As usual the servers were run off their feet giving out delicious food. Students showed how well they could stand in line, wait for their food, and choose whether or not they want bread or sauce, sprinkles or no sprinkles.

Thank you to all the parents who attended, it was a huge turn out this year and the students loved having you at school. Family days are wonderful opportunities for students to practice, generalise and show off their communication and socialisation skills. Well done kids!!
